Space Requirements for RelaxSpace Pod Installation

****IMPORTANT**** Please confirm if your space meets the following guidelines when placing your order.

Standard Minimum Dimensions:

- Room Entryway: Must be 33" or larger for the Pod to fit
- Hallway / Area Outside of Room: Must be 96" or larger to allow for the Pod to fit.

Alternate Options:

If these minimum dimensions are not met, special precautions, additional manpower, and additional expenses are required during the installation to make the RelaxSpace Pod fit.

Please speak with your order processor for additional information.
