

Important Announcement

Dear Customers and Partners,

I'd like to share some exciting news with you. As we're now approaching our 35th anniversary, you've known our company as "HydroMassage" for quite a long time.

However, after much thought and careful consideration, we're officially announcing a corporate re-brand from HydroMassage to "WellnessSpace Brands".

For anyone who has followed health trends over the last three to five years, there has been a remarkable uptick in awareness for all things related to wellness, and the conversation has now expanded more broadly to include muscle recovery, mental fitness, and self-care.

To help meet this increased demand for wellness, we invested in the creation of two innovative new product lines: CryoLounge+ chairs for muscle recovery, and RelaxSpace Wellness Pods for immersive relaxation experiences.

These new ventures extended our reach beyond the traditional HydroMassage product lines we've been known for, and we are extremely grateful for the enthusiastic response from both our current and new customers who have fully embraced our new suite of wellness products.

This new chapter of growth led us to consider a larger strategic vision, which is: *"To meet the growing demand for wellness & recovery, we help businesses create Wellness Spaces to provide people around the world with access to convenient, technology-based solutions for total body wellness."*

As we thought further about executing on that goal, we decided the best way would be to align our company name with the wellness spaces we're helping our customers create, which is how we landed on "WellnessSpace Brands".

We'll continue to support you with the same dedication to quality and customer service you trust, from the same people you know well, but now with a larger mission and a larger suite of products available.

Thank you for your partnership and for sharing in this new strategic direction with us.

As always, please let us know if you have any questions or if there is any way we can serve you better.

Best regards,

A handwritten signature in black ink that reads "Paul Lunter".

Paul Lunter
Founder & CEO
